Depending on how many people are in the room, folks can ask up to 2-3 questions. We'll start taking turn asking one question per person and go from there.

### WHAT IF FOLKS HAVE QUESTIONS BUT DO NOT WANT TO ASK IN THE GROUP?

Folks have the option to ask questions anonymously in addition to asking questions themselves. Note cards will be provided to write down questions and drop it in a box for Nancy to read during a group intuitive reading session.

### DISCLAIMER FROM NANCY

Nancy provides readings from a pure and loving space. Her goal is to provide clarity and guidance. When she tunes into your energy for clarity and share out what comes up for you, she hopes that it resonates with you. There may be times that the readings may feel off and it's okay. We ask that you keep an open mind and wait a few days to see what comes up for you. Take what resonates and make sense of it with your own intuition. Nancy looks forward to working with you and your group in providing clarity and guidance towards a healing journey.
